

include/CTL/deque.h

```
graph TD; A[include/CTL/deque.h] --> B[stddef.h]; A --> C[stdbool.h];
```

The diagram illustrates the preprocessor directives within the file `include/CTL/deque.h`. Two blue arrows originate from the bottom of the top box and point to the boxes below, indicating that `include/CTL/deque.h` includes `stddef.h` and `stdbool.h`.
